

Built for business with cuttingedge technology

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.

ThinkBook 14 G7 ARP

Introducing the ultimate powerhouse for mobile business professionals. The cutting-edge laptop equipped with an AMD Ryzen 7 Processor ensures lightning-fast performance and seamless multitasking capabilities. Paired with up to 64GB DDR5-4800 memory, this laptop delivers unparalleled speed and responsiveness, enabling users to effortlessly handle intensive workloads and demanding applications with ease. With up to ITB of SSD storage, storing vast amounts of data and accessing it swiftly is a breeze.

Dive into crystal-clear sound with 2W dual Dolby Audio stereo speakers, whether you're in a video conference or attending client calls. Bid farewell to background noise distractions during crucial calls, thanks to the dual-microphone array equipped with smart noise-cancelling technology, ensuring that your voice is heard with clarity and precision.

Weighing in at 1.38 kg (3.04 lbs), the laptop is effortlessly lightweight, ensuring seamless mobility from boardroom to outdoor travels.

Weighing in at 1.38 kg (3.04 lbs), this ThinkBook is a lightweight companion for modern professionals who are always on the move.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..
